

## Clocaenog Forest Wind Farm Business Fund

| Business         | Project description  | Year | Amount funded |
|------------------|--|------|---------------|
| Ty Eising        | Ty Eising were successful in gaining a grant towards the purchase of bespoke catering equipment for the business which will enable them to produce more orders, work more efficiently and also be able to offer more elaborate designs that will keep pace with the latest trends                                    | 2021 | £3,251.80     |
| Derwydd Cyf      | Derwydd Cyf were successful in gaining 50% of their project costs towards creating the viewing area, providing digital and educational screens so that visitors can see the process of egg production and how the farmers produce our food and how they work. This facility would be free of charge to all visitors. | 2021 | £33,269.00    |
| A D Welding      | A D Welding was successful in securing £9,609.75 in order to purchase machinery and equipment necessary for this start up business to commence providing an invaluable service to other rural businesses, hoping in 3 years to be able to employ a member of staff to help him.                                      | 2021 | £9,609.75     |
| Dovecote Brewery | Dovecote Brewery was successful in securing a grant for investment in a canning machine. They needed this because they had to throw lots of barrels of beer during the lockdown. The new canning machine will open up the market for them to sell their artisan beers.   | 2021 | £8,995.00     |

|                        |   |      |            |
|------------------------|---|------|------------|
| Llaethdy Llwyn Banc    | Llwyn Banc Dairy was successful in securing funding to purchase a vending machine to sell milk and milkshakes which will be set up in a building on the farm using milk produced by them at Llwyn Banc Dairy.   | 2021 | £10,000.00 |
| Briwsion Brys          | Briwsion Brys were awarded a grant to purchase commercial catering equipment for a new business establishing in Pentrefoelas. This will provide a full time job for the candidate.  | 2021 | £3,135.00  |
| Snowdonia Goat Company | Snowdonia Goat Company secured grant aid for the purchase of a commercial portable cooling box for their business. This will allow them to deliver their milk, cheese and goat meat to shops and outlets. In addition, at the request of the dairy inspector, they received funding to purchase a generator, which will be essential in the event of a power cut. | 2021 | £8,057.25  |
| Angel Feathers Ltd     | Angel Feathers was successful in securing a grant for the purchase of Still to distil Moel Famau Gin adding to their current range of drinks. They also needed a bottle washer for the production. They will also work with St Kentigern Hospice to create a Gin to support the Hospice   | 2021 | £5,245.00  |
| Wernog Wood            | The money received by Wernog Wood will go towards the purchase of Classic Wide Wood-Mizer Sawmill. They run courses on site and the new equipment will allow them to use the trees on their land for this, turning the trees into chairs, knives, forks and other items.  | 2021 | £9,326.00  |
| I & C Williams         | I & C Williams were successful in being awarded 50% of the project cost for a farm diversification and setting up a new business by installing Glamping Pods which will   | 2021 | £15,843.77 |

|                                    |  |             |            |
|------------------------------------|--|-------------|------------|
|                                    | offer self-contained units and benefit from private floating deck areas and also managing the woodland on the farm.  |             |            |
| Coffi Eryri                        | Coffi Eryri was successful in being awarded a grant to acquire a new roaster for the business. This will enable the business to expand significantly and create new jobs.  | 2021        | £20,507.20 |
| Gwinllan y Dyffryn / Vale Vineyard | Vale Vineyard was successful in its bid for upgrading visitor facilities to the vineyard, to enhance the visitor experience and enable it to host 'Taste tasing'. There will also be opportunities to volunteer to collect the grapes.   | 2021        | £15,482.10 |
| Serekinti Ltd                      | Serekinti received 50% of the sum for the project of renovating and developing a Community Café and Community Area within a historic building in Denbigh. This will lead to the creation of several new jobs.  | 2021        | £35,000.00 |
