Clocaenog Forest Wind Farm Fund

Panel Member Role Specification

Overall, Purpose:

We're looking for local people, especially young people aged 16–30, to join our panel and decide how grants are awarded.

Your role:

- Review and discuss local funding applications
 - Help decide which projects receive grants
 - Share ideas to shape the fund's future
 - Ensure funded projects are delivering impact
-

Who can apply?

- Live, work or have a strong connection to the area
- Interested in making a difference locally
- Willing to share views and work as part of a team
- Able to attend 4 meetings per annum during daytime and read papers

No experience needed – support and training provided.

We're keen to hear from:

- Young people (16–30)
 - Young people interested in the environment, economy, wellbeing or local development
-

What you'll gain

- Valuable experience for your CV
- Confidence and decision-making skills
- A real say in local funding decisions

Our values

Fairness, respect, openness, integrity and good judgement.
