Dear Citizens Panel member

North Wales Citizens Panel

We write to thank you very much for your work with the North Wales Citizens Panel.

We have decided that in the future, we want to talk to people at a local and regional level.

We have asked Community and Voluntary Support Conwy to send you this letter as we do not have your personal contact information. Under data protection rules, you would have to consent to give us your personal details including your address / email contacts.

We do not want to lose your involvement in developing and improving health and care services in North Wales. If you would like to continue to be involved at a local or regional level perhaps you could contact Ruth Whittingham (01824712460) or Helen Lloyd (01824712053) at the Regional Collaboration Team, or complete the attached proforma and we will then be able to link you into the relevant mechanisms.

diwethaf. Mae wedi gwneud gwahaniaeth i'r ffordd rydym yn cynllunio a darparu gwasanaethau.

Yn gywir

Thank you for sharing your views and experience with us over the last few years. It has made a difference to the way we plan and deliver services

Yours faithfully
